

# Life B4B kick-off – Species action plans

Policy frame: Species action plans in Flanders – how are they prioritised and what is in the planning

*Véronique Verbist (Agency for Nature and Forests) ONLINE*

Species action plans in Wallonia and prioritisation

*Anne Weiserbs - Natagora*

Species action plan for common spadefoot and breeding programme

*Loïc Van Doorn - Research Institute for Nature and Forest (INBO)*

Concrete case: species related to agriculture (meadowbirds), cooperation with stakeholders and financing

*Geert Spanoghe - Research Institute for Nature and Forest (INBO)*

Concrete case of how a species action plan has been carried out in the past

*Jean-Yves Paquet - Natagora*

Species action plan for European weatherfish and breeding programme

*Jeroen Van Wichelen - Research Institute for Nature and Forest (INBO)*
